Dear School Owners, Masters, and Instructors,

We are excited about our upcoming 18th International Tang Soo Do World Championships in Washington DC.

As you know, we have team sparring competitions made up of 3 person teams. We will be changing format this year. In the past if a team lost the first two matches the third member of the team did not get to compete. This year we are changing to a total accumulation for all 3 team members to decide the winning team for each match. We will have a mercy rule for each match, if a competitor gets ahead by 4 points the match will end.

We feel that this is a better format and makes sure that after all of the time and effort preparing for the competition, everyone gets the opportunity to demonstrate their skill.

Tang Soo!!!

## JUDGE & REFEREE GUIDELINES

When your ring is ready to begin, the score/time keeper will call the competitors who are up, and announce who will be “on deck”.

### ENTERING THE RING:

- Competitors stand side-by-side. Judges sitting in corners. Referee standing opposite the competitors on the edge of the ring.
- Referee **WHISTLE**, indicating to bow to referee.
- Referee extends arms, palms out. **WHISTLE** snapping toward his/her face, indicating competitors to enter ring. Walk inward toward competitors.
- Referee will then **WHISTLE** indicating for them to stop by snapping hands outward.
- **WHISTLE**, snapping hands facing one another to indicate competitors to face inward.
- Snap hands palms down, inward and **WHISTLE** to indicate the competitors to bow to each other.

### BEGINNING THE MATCH:

- Referee will verbally conduct competitors into ready stance by saying loudly, “**CHOON BEE**”.
- Referee will ask the competitor to his/her right their name. Announce their name, raising the red ribbon, and shouting “**RED**”. (At this time tie red ribbon to belt of competitor)
- Referee now steps between competitors with left leg forward front stance, forcing competitors apart with arms extended, palms outward with a **WHISTLE**. (Competitors will now go into fighting position, check to make sure they are behind their line)
- Keeping left hand on competitor to Referee’s left, **WHISTLE** snapping right hand in “kwan soo” style position toward center (or time keeper, this indicates time to start. Make sure the time/score keepers are aware the match is beginning. 2:00 on the clock, do not stop count down unless Referee tells Stop Time, usually only in the event of an injury).
- Raising right hand straight up, (kwan soo style again) **WHISTLE**, indicating “ready”.
- Referee will place right hand back out to competitor to the right. **WHISTLE** sliding left foot backward into fighting stance, snapping hands together indicating to begin.

### AWARDING POINTS:

- When a judge sees a clear, controlled point scored from their point of view, blow your **WHISTLE**. Referee will **WHISTLE** with authority, get between competitors, and push them apart. At which time the Referee will gesture for the competitors to return to “choon bee” on their line.
- Referee will step, returning to the edge of the ring, raising arms, palms up, **WHISTLE**, signaling verification from corner judges. (Remind the corner judges not to prematurely raise flags before verification is called)

Judges will simultaneously raise flags, snapping into the position showing one of the following:

- ◊ Red flag up indicating for a red point (should be in judges right hand)
- ◊ Blue flag up indicating for blue point (should be in judges left hand)
- ◊ Flags crossed low, toward floor indicating for No Point
- ◊ Flags crossed in front of judge’s face indicating for No See
- ◊ Red flag down indicating for warning red
- ◊ Blue flag down indicating for warning blue.
- Keeping the flags in position, Referee will point with kwan soo style hand, to each judge announcing each call verbally. (Left hand for judges on Referee’s left, right hand for judges to Referee’s right)
- If a majority vote is determined, announce which competitor (red, blue) scored the point.
- The match will continue until a competitor reaches 3 points or “TIME” has been called by time/score keeper.
- To continue, the Referee now steps back between competitors with left leg forward front stance, with arms extended, palms outward with a **WHISTLE**. (competitors will now go into fighting position, check to make sure they are behind their line)
- **WHISTLE** sliding left foot backward into fighting stance, snapping hands together indicating to continue.

### SUDDEN DEATH:

- In the event of a tie when time is called, Referee will indicate competitors to kneel down. The Referee will then return to the edge of the ring. **WHISTLE** while holding both hands in a “two fist X block” style position overhead. This indicated Sudden Death. Match will continue until a point is awarded.

### ANNOUNCING WINNER & EXITING RING:

- “TIME” is announced (or a competitor’s 3rd point is scored). Referee will **WHISTLE** with authority, get between competitors, and push them apart. At which time the Referee will gesture for the competitors to return to “choon bee” on their line.
- Referee will then verbally conduct competitors into attention stance by saying loudly, “**CHA RYUT**”.
- Referee will signal by snapping hands palms down, inward and **WHISTLE** to indicate the competitors to bow to each other.
- The Referee will then snap both hands outward toward head table with a **WHISTLE** and step in between competitors.
- **WHISTLE** again to indicate that competitors and Referee will bow to the head table.
- Grasping the wrists of both competitors, raise the arm of the winner with a **WHISTLE**.
- While still holding both opponents arms, step back and pull competitors together to show good sportsmanship with an embrace.
- Referee signals by pushing hands outward and away to the competitors for them to exit the ring by stepping backwards to the edge. Referee will also mutually return to opposite edge of ring. All will bow as a show of respect.
