

International Tang Soo Do Federation, Inc TM

Dear School Owners, Masters and Black Belts:

I hope this letter finds you, your family, and your Do Jang in good health and spirits. I am writing you this letter to remind you of the importance of the upcoming Masters and Black Belt Seminars. I thought everyone did a wonderful job at the 18th ITF World Championship last July in Washington DC. As I am your Choong Jae Nim, I want to say thank you to all Masters, Black Belts, color belts, and parents. I am looking forward to seeing you at the 19th ITF World Championship **July 22nd-July 25th, 2027** in Orlando FL and we will make it even better.

Please encourage all of your Black Belts and Masters to attend this, and all future seminars, as this will build their spirit and attitude as well as their appreciation of the International Tang Soo Do Federation organization and help in the development of their life skills. Make plans now to attend and take advantage of this opportunity to enhance your skills and maintain your proficiency of the International Tang Soo Do Federation standards.

There will only be Master recertification and testing, and Kyo Sa and Junior Kyo Sa testing. Please continue to remain healthy through the practice of our authentic Tang Soo Do. We are very fortunate to have the opportunity to practice this authentic Tang Soo Do. There are many different styles but they don't have the roots that we have with our authentic Tang Soo Do.

Please fill out the enclosed forms and Mail them to the I.T.F. Headquarters. All Black Belts and Masters must complete the Seminar Registration Form. Checks should be made payable to the I.T.F. **All testing and registration forms must be returned by April 3, 2026.** Testing students names should be submitted to the I.T.F. Headquarters to assure their testing eligibility.
