Dear Masters and Instructors,

Tang Soo! I hope this letter finds you in good health and Tang Soo Do spirits.

Time goes so fast. It seems like I just wrote this letter for our last World Championship and here I am writing to you about our 14th International Tang Soo Do World Championship. As you know, it is being held August 4th—7th 2016. In this correspondence I am enclosing all forms you will need for the Championship:

1. Event Registration Form (to be used form all events except the Awards Dinner) Please note that a separate registration form is Also required for the tournament registration.
2. Itinerary for all events
3. Awards Dinner Reservation
4. Tournament Registration Form
5. Tournament Division Sheet
6. Judge and Referee Guidelines
7. Forms and Sparring Regulations
8. Black Belt Test Fees
9. Recertification Test Form
10. Dan Promotion Form
11. Kyo Sa Test Form
12. I.T.F. Membership Application Form (Required for New Dan Applicants)
13. Team Registration and Country Sign

It is important that we receive your team registration and member photos to be included in the program book. In addition, if you would like to perform a demonstration, you must a complete demonstration request form and receive permission to perform prior to the Championship.

You are free to make your own arrangements, but I ask you to make sure you tell the **Grand Hyatt Hotel** that you are with the **I.T.F. Championship to receive our special Championship rates!** The Grand Hyatt reservation number is (888)421-1442. This number does not work outside the U.S. Our reserved rooms are filling up quickly, so make your reservations soon as possible. Please check out our website World Championship page as soon as you can to register online to get your paperwork in quickly.

Your cooperation and quick response will help the Championship Committee prepare and run a well organized and successful Championship.

I would like to add that you must use the test forms and paperwork that I am including. Do not alter or submit your own paperwork. Actually, everyone should be using the I.T.F. standard forms.

Feel free to contact me with any questions or concerns

Sincerely,

Choong Jae Nim Chun Sik Kim
