

International Tang Soo Do Federation, Inc TM

Dear School Owners, Masters and Black Belts:

I hope this letter finds you, your family, and your Do Jang in good health and spirits. I am writing you this letter to remind you of the importance of the upcoming Masters and Black Belt Seminars. This will be an excellent opportunity to catch up on your missed recertifications and gather together with our ITF family to celebrate our Tang Soo Do spirit. Please encourage all of your Black Belts and Masters to attend this, and all future seminars, as this will build their spirit and attitude as well as their appreciation of the International Tang Soo Do Federation organization and help in the development of their life skills. Make plans now to attend and take advantage of this opportunity to enhance your skills and maintain your proficiency of the International Tang Soo Do Federation standards.

This year I made a change to the upcoming testing. There will only be Master recertification and testing, and Kyo Sa and Junior Kyo Sa testing. Please continue to remain healthy through the practice of our authentic Tang Soo Do. We are very fortunate to have the opportunity to practice this authentic Tang Soo Do. There are many different styles but they don't have the roots that we have with our authentic Tang Soo Do.

Please fill out the enclosed forms and Mail them to the I.T.F. Headquarters. All Black Belts and Masters must complete the Seminar Registration Form. Checks should be made payable to the I.T.F. All testing and registration forms must be returned by May 3, 2024. Testing students names should be submitted to the I.T.F. Headquarters to assure their testing eligibility.
